

## Fertilizer Applicator Certification

### 3 Hour Class for First Time Applicators

Fertilizer certification is required by September 30, 2017 if you apply fertilizer to more than 50 acres of agricultural production grown primarily for sale. Under this law, fertilizers are materials that contain one or more recognized plant nutrients and have a guaranteed analysis. Join Harrold Watters, OSU Extension state agronomy specialist and Brian Kleinke, Greene County ANR educator for a three hour certification class and get ahead of the deadline..
