Are you taking a Rocket as a 4-H project this year or are you just interested in learning more about Rockets?

Mark Ponder, Butler County 4-H advisor, is holding a Fun Match on June 8, 2024 at the Butler County Fairgrounds. The **Viking** Rocket **MUST** be used. All rockets must be built and ready to launch at the event. Rockets can be purchased from the extension office or through Mark Ponder for \$5. You may bring your own **Viking** rocket. ERockets will supply 1 engine per participant at the event at no charge.

Cloverbuds are not eligible to compete however if they attend with a rocket, they will be able to launch and will be given a rocket as special prize.
