What is 4-H? 4-H is a non-formal educational youth development program offered to individuals from ages 5 to 19. Among all the fun things to learn about in 4-H are animals, computers, public speaking, cooking, art, gardening, natural sciences, and much, much more!

No matter what you select or how you participate, all 4-H programs focus on active involvement and quality experiences that stimulate lifelong learning of values and skills.
