

## Community Service Project

Seeking 4-H Clubs and FFA Chapters in helping to make the Butler County Fairgrounds beautiful. There are going to be many different places around the fairground to create a "container garden". The design is up to you and your club members. Locations include the livestock barns, ticket gates, Art Hall, Special Interest and many more.

### The club will need to:

- Design a container garden/flower bed in front of the barns. Remember that you will be putting these plants on concrete.
- Club members will need to make sure the plants are watered each day
- After the sale on Saturday, the club will need to have the area cleaned up.
- The container garden/flower bed theme is Pollinators.
- Have your club name listed somewhere in the flower bed.
- Flower beds will need to be completed by July 20, 2019
- First come, first served on the location. Turn in your form ASAP
- Forms to the OSU Extension Office by July 1<sup>st</sup>.
- Garden/Flower beds will be judged and places will be given out by the Master Gardener Volunteers

Please complete form and submit to the office by July 1<sup>st</sup>
