J-2 Intermediate Individual (age 11-13)

J-3 Junior Team (age 8-10)

J-4 Intermediate Team (age 11-13)

- The presenter uses appropriate props and other visual aides to teach others about a subject or how to do something.
- May use charts, posters, pictures to deliver their Illustrated Talk or to stress points with their Demonstration.
- PowerPoint or computer generated messages are not used in this class.
- Presenters are evaluated on their ability to present a speech. See score sheet for more information on the areas of evaluation.
- A demonstration should last between 5-7 minutes. Scores will be reduced four (4) points for times over or under.

Illustrated Talks or Demonstrations - With the addition of Computer Technology

J-5 Intermediate Individual (age 11-13)

J-6 Senior Individual (age 14 and up)

- The presenter uses appropriate props and computer generated visual aides to teach others about a subject or how to do something.
 - ☐ A demonstration may be delivered in this category. PowerPoint type slides may be added in addition to other props to help present their message.
 - ☐ An Illustrated Talk may be delivered in this category, with the member using PowerPoint type technology to present their entire visual message; accompanied by their live narration.
- Requires live speech delivered along with the PowerPoint message. (No pre-recorded narration)
- Member is evaluated on their communication skills and their ability to effectively use technology within their Illustrated Talk or Demonstration.
- Illustrated Talks/Demonstration should be 8-10 minutes in length with four (4) points deducted for times over or under.

4-H Multi-Media Presentations

J-7 Senior Individual (age 14 and up)

- The Multi-Media Presentation should share a message related to 4-H experiences or 4-H project work.
- This is a fully automated, stand alone presentation using Video, Pictures, Slides, PowerPoint or other home/office computer generated programs along with sound/narration to convey a message.
- The program is free standing and only requires an introduction by the participant. It should include recorded visual, sound, and narration to convey a message.

- Evaluation is based upon the creative and professional use of technology, as well as the ability to communicate a message, with a clear opening, body, and conclusion. See evaluation tool.
- The Member will be interviewed and must be able to explain the steps taken to develop the multi-media presentation and knowledge of the topic of their presentation.
- Presenters will introduce themselves and the title of their topic. At the conclusion of the recording, they may address questions from the audience. Followed by an interview with the judge.
- Presenters are required to furnish their own equipment for this presentation.
- One presentation will be selected from the Clock Trophy Winners, for a presentation at a State 4-H function such as: The State 4-H Volunteer Conference or the Celebration of Youth.
- Audio Visual Presentations should be 8-10 minutes in length. Four (4) points will be deducted for over and under times. Timing of the presentation is from the time the pre-recorded presentation begins and ends. The introduction, and questions and answers are not included in the timing.
