

Butler County Shooting Sports Projects

The 4-H Shooting Sports Projects of Butler County encompasses the shooting disciplines of Rifle, Pistol, Shotgun, Muzzleloader, and Archery, as well as Hunting and Wildlife and Living History. These differ from traditional 4-H projects in that they require a member to take the project under the direction of a shooting sports club that includes state certified shooting sports instructors. Contact us for further information.

*There are two shooting projects that do not require a formal shooting sports club. These are Safe Use of Guns (630) and Basic Archery (631), as long as the 4-H member is not shooting as part of these projects. Contact us and our instructors would be happy to help 4-H members with these projects also.
