Butler County 4-H strives to make quality 4-H programming accessible to all youth. With this in mind, we can make accommodations in judging events and other activities so that every child can have a successful experience. In order to make sure that we know what accommodations are necessary, I am making a form available for parents to complete. We can use this information to communicate to judges and volunteers as needed. It will also help us to formalize our process so that we do not miss anyone.

If you have questions, please contact Kevin Harris at (513) 785-6650, or by email at harris.2184@osu.edu.

Skillathon Kits

We have a number of skillathon kits and various videos available to be checked out for **one week** at a time.
