## Now that fair is over!

I would like to thank everyone that played a role in making the 2018 Butler County Fair a great success. I hope everyone has had a chance to rest up, as many of our kids will return to school next week.

## 4-H members heading off to college

## **Thank You Cards**

Just a quick reminder before the first day of school. If you received an award during fair week, please make sure to go ahead and complete the thank you card for the donor. Our donors are important to our county fair. When writing out your thank you card please personalize it with a message about all your memories in raising your livestock project, completing that special interest project or one of your fondest memories from completing your 4-H project in 2018.

## **4-H CARTEENS**

If you are a teen between the ages of 14 – 19 please consider volunteering. This would be a great opportunity for you to learn something new, help make our roads safer, something new for you to add to your county achievement report form and your resume. In addition, your volunteer hours can also help with your high school graduation requirements.

Please review the links below and direct any questions you might have to Kevin Harris at [harris.2184@osu.edu](mailto:harris.2184@osu.edu) or 513-785-6650.
