Another Successful Butler County Fair!

We have all heard the quote that it takes a village to raise a child. It also takes a village of supporters to have a successful county fair.

I would like to thank everyone that played a role in making the 2019 Butler County Fair a great success. I hope everyone has had a chance to rest up, as many of our kids will return to school.

Best wishes for a great school year for all of our 4-H youth!
