

Malting Barley Workshop

March 15, 2018 • 1 pm to 5 pm

Union County Services Building, 940 London Ave, Marysville, OH 43040

Come interact with OSU experts from across the state discussing the potential for growing profitable malting barley in Ohio as well as obstacles that may be faced.

Agenda:

1:00p-1:45p Brad Bergefurd, OSU Extension Educator, Scioto County and South Centers: Development of the Ohio malting barley and hops industry to meet needs of a rapidly growing craft brewing industry.

1:45p-2:30p Laura Lindsey, OSU Assistant Professor, Soybean and Small Grain Production: Agronomic Management of Ohio Winter Malting Barley

2:30p-3:15p Eric Stockinger, OSU Associate Professor, Horticulture and Crop Science, OSU/OARDC: Identifying and developing winter malting barley adapted to the Great Lakes, Midwestern, and Northeastern State regions

3:15p-3:30p Break

3:30p-4:15p Pierce Paul, OSU Professor, Plant Pathology, OSU/OARDC: Barley Diseases and Management

4:15p-5:00p Mark Loux, OSU Professor, Horticulture and Crop Science: Weed Management in Barley

REGISTRATION FORM: Malting Barley Workshop, March 15
