

# Spotted Wing Drosophila

## Sprayer Optimization Workshop

Location: Berryhill Farm, 127 E. Krepps Rd, Xenia, OH

Spotted Wing Drosophila (SWD) is an invasive pest in Ohio, devastating berry crops throughout the state. This on-farm sprayer optimization clinic will include:

- Discussion of current research findings on SWD control;
- A sprayer calibration demonstration;
- Demonstration of enhanced coverage and drift reduction strategies;
- Recommendations to improving equipment and practices to maximize efficiency and efficacy of sprays to control SWD.

This workshop is FREE and open to the public. Please RSVP to Mary Griffith, 937.372.9971x114 or [griffith.483@osu.edu](mailto:griffith.483@osu.edu).

Monday

May 11

12:00pm-2:00pm

---

Location: Berryhill Farm  
127 E. Krepps Rd, Xenia

Cost: FREE
