OHIO STATE UNIVERSITY EXTENSION

Level 2 Food Safety Training and Certification

Course for:
Owners, Managers and Employees

Butler County Extension

butler.osu.edu

What is ServSafe® Manager?

ServSafe® Manager has become the industry standard in food-safety training and is accepted in almost all United States jurisdictions that require employee certification.

The 16 hour ServSafe® Manager program provides accurate, up-to-date information for all levels of employees on all aspects of handling food, from receiving and storing to preparing and serving.

This course is designed to provide food service managers, operators, and owners with updated principles of safe food handling. The principles learned in this course can easily be applied and practiced by all food service workers.

Upon successful completion of the course and exam, participants receive a Certificate of Completion from ServSafe® and Certification in Food Protection from the Ohio Department of Health.
