

Cooking With Kids

Make Your Own Charcuterie Board!

Charcuterie boards are made up of meat, cheese, herbs, fruit, crackers, and other condiments. Each board is unique and will be tailored to your child's preference! A charcuterie board is a new way for your child to get creative and explore foods. We will have some familiar favorites as well as something new to try! Each child will bring home a board with instructions to share with loved ones.

Kids will practice their knife skills as well as learn to make their own dipping sauces, spreads, dessert and centerpiece.

There is a limit of 20 participants on a first come-first served basis. Don't delay, register today!
